WE ARE A FOSTER FAMILY

We Are A Foster Family is a glimpse into life as a new foster family through the eyes of a young boy. Rhyder, age 6 shares his story of becoming a foster family and what it looked like to say hello and goodbye. There are days of excitement and anticipation, but some moments test everyone's patience. Through this story, Rhyder and his family learn new ways to love others. Finally a book to help prepare children for the amazing role they play in sharing the love of Jesus with kids in the foster care system.
